VOLUME NUMBER 81.

CAMERON, MILAM COUNTY, TEXAS, THURSDAY, AUGUST 7, 1941.

EIGHT PAGES TODAY

NUMBER 17

On Saturday, August 30, the people of Milam county will elect a member of the House of Representatives. Importance of this decision can not be over estimated.

Let us hope that the candidates may stay within the bounds of what is best for our county and refrain from raising false issues.

I think it is generally conceded that we have had enough of old age pension platforms and the rainbow of social security. We do not need a campaign based on cutting out all of the expenditures of the State government.

As this is written it is not yet possible to judge the candidates on their merits for they have not all yet come to the post.

If it be selfish to demand something for Milam county, then we will have to answer for that criticism. If there are no issues there is no democracy.

Let it be said that no man is worthy of your vote who has not already recognized the discrimination practiced against us by the State Highway Department. Also there are other things to be considered which in themselves are important to our County. If these discriminations had not reached the point of disaster for us, we might have been able to temper our attitude and be big enough to recognize the needs of Dallas county and to overlook somewhat the lack of attention we have ourselves been receiving.

The candidate for Representative who does not tell you that he is for Milam county regardless of what the issue may be when he gets down to Austin, is not worthy of your vote. This is not a radical statement, but is a justifiable rebuke to the sorry representation, so far as results go, we have had in the legislature.

The candidate who is elected should pledge the people that unless he has intelligence and foresight enough, to say nothing of courage to obtain a square deal for Milam County within the next 18 months, he will resign, or preferably commit Hari Kari by disemboweling himself on the grave of political failure and bad faith to his people.

We do not declare war upon the Highway Commission. We declare war upon weaklings who are bought off, influenced, and rendered insensible to their obligations by the lobby that stalks the halls of the capitol.

There is the question of Bond Assumption. The candidate who asks for our vote must stand for an all out assumption of bonds in every district in Milam County. The State must go forward. We have had enough of cotton patch politics that promises to reduce State expenditures while voting for their increases at each and every opportunity.

We need a sensible, well proportioned intellect in the House of Representatives who can visualize progress for Texas; one who will recognize that jobs for constituents has already resulted in degeneration of public service.

While our candidate must be liberal, for we have had enough of fanatics, we demand in this one man's opinion that the man who goes to the Legislature must deliver the goods or be driven from public office next July.

O'Daniel Joins Fifth Column in Washington

Governor W. Lee O'Daniel joined the Fifth Columnists in Washington today in his maiden speech as United States Senator. He blasted everybody and everything.

In his campaign O'Daniel pledged the people that he would "twist the tails of all those fellows in Washington" and in his press speech seems to have made good.

He lined up with Lindbergh and Burton K. Wheeler by demanding release of all young men after they have completed their year of service.

Texas now has a Senator of the same political stripe as Wheeler of Montana and Walsh of Massachusetts. If they don't like it they can vote again next July.

S. C. Miles of Rockdale attended the County Board meeting.

JAPAN TO SEIZE THAILAND

DEFY WARNINGS OF U. S. AND BRITAIN

Japan was believed prepared Thursday to defy the United States and Great Britain by marching on Thailand.

Continued movement of troops to all points of attack indicated the Japs mean business and any moment was expected to bring news the Mikado's army had marched into Thailand.

On Wednesday both Great Britain and the United States warned Japan against any further expansion in the far east and spoke of grave consequences of an attack on Thailand.

Japan will pay no attention to the United States. Warnings have been made repeatedly for 6 years and no action has come, so why pay any attention to them now.

There was some belief the United States and Britain may mean business this time. Only developments can disclose how much the Japs fear American and British warnings.

Rumors came out of Germany Thursday that the German people fear Hitler had misrepresented the Russian campaign; that Germany has lost heavily and unrest has resulted.

Hitler issued a statement Tuesday in which he said the Russian campaign is over. He said three million Rads had been slain. He minimized German losses. German people, especially parents of soldiers have reasons to believe the truth has not been told them.

Bridges Blocked As Hunt Goes On For Desperado L. C. Cobb

Bridges in Milam county were blocked Wednesday night by officers, it was reported by Deputy Sheriff, LeRoy Massengale.

The officers joined in the hunt for L. C. Cobb, desperado who escaped prison and kidnapped a family early Wednesday.

Cobb who was among those arrested for the robbery of the Sharpe Jewelry Store, was under sentence for murder. He was last reported to have abandoned one car and took another on the Houston highway, heading for Milam county. No trace of him had been reported Thursday.

Texas Rangers Check Cattle Trucks; Bills Of Sale Necessary

Texas Rangers have completed an assignment in Milam county checking on a number of activities, mainly cattle trucks.

It was reported by Deputy Sheriff LeRoy Massengale, that the Rangers had spent several days here checking trucks.

Hereafter all trucks on the highways transporting cattle will be halted and the driver must produce bills of sale for all cattle in transit.

This action, it was agreed, should have been resorted to long ago. Cattle thefts have become a problem in Texas.

August 16th Last Day For Legislative Candidates to File

August 16th, is the last date on which candidates for Representative may file for the ballot, it was reported Thursday afternoon by Judge Jeff T. Kemp.

It was understood four have already filed.

After the filings are complete the ballot will be ordered printed.

MRS. CAROLINA BRUDER DIES AT BURLINGTON

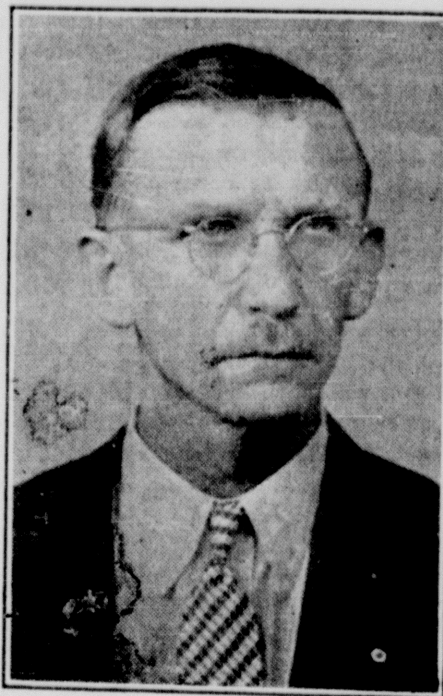

Mrs. Carolina Bruder died Wednesday morning at 3:30 at the residence of her daughter, Mrs. Richard Luedke near Burlington.

She was born in Germany in 1870 and came to the United States in her early childhood.

Funeral services will be held Thursday at 2:30 p. m. from the Lutheran church at Burlington with Rev. Kalkbrenner conducting.

Interment will be made in the Burlington cemetery with Green Funeral Home directing arrangements.

Re-Elected

JOE SLAVIK, SR.

Mr. Slavik, widely known citizen and for years a leader in the RVOS, has been elected for a four year term as Secretary of the insurance organization. He has held this position for a number of years. The convention held in West last week paid this unusual tribute to Mr. Slavik by electing him without opposition to a four year term in office. His work has been outstanding.

Mr. Slavik was given a substantial increase in pay for the operation of the office which is maintained at his farm home at Marak.

F. A. Marek of Cameron was re-elected Vice President of the RVOS to succeed himself. He has been an active member and official for years and a former President.

FIRST BALE COTTON IS GINNED HERE WEDNESDAY

Harvest of the 1941 crop was inaugurated here late Wednesday with the ginning of the first bale.

The bale was produced at Branchville by John A. Smith, Jr., and was ginned at the Weems Gin in Cameron.

The bale came in at 6:25 and within 18 minutes had been ginned and ready for the market. The bale was placed on the sidewalk at the Triggs Cotton office and is awaiting a buyer.

The bale weighed 515 pounds and is late compared with dates for first bales in previous years.

With the ginning of the first bale the condition of the crop is brought to the attention of the farmers and business generally. As the first bale comes in there is a pessimistic view. Reports indicate widespread damage from boll worm. There is no known means of combating boll worm.

Leaf worm has made appearance in many fields but poison is being resorted to by the farmers.

During the past three weeks of continued dry hot weather, the crop has been badly blasted and bright prospects have been turned into uncertainty. At best Thursday it was predicted the crop would be short.

Notice of Selection Mailed to Registrants

Notice of selection has been mailed to four registrants, it was announced Monday by Mrs. Jack Lewis, Chief Clerk at the Local Draft Board.

The notice of selection was mailed to the registrants and signed by Charles E. Allday, member of the board.

The men are: Vince Joe Kuback, volunteer; Edward O. Schiller, selectee; Eual Clay Sheffield, selectee.

Felix Paul Kaulfus, next in order for selection was mailed a notice for effect in the event anyone of the three to go to the army on August 15th fail to pass physical examination.

ORSAG GOES TO PALACE

Joe Orsag, for years with the Griffith Barber Shop, has been employed by and will now be found at the Palace Barber Shop, owned by Chas. F. Swift.

Mr. Orsag has been engaged in the barber business here for years and has many friends who will be interested to know of his new employment.

FIRE DESTROYS MILAM THEATRE

CHARLIE SMITH ASKS FOR LEGISLATURE POST

Chas. C. Smith, Jr., of Cameron, has announced that he will be a candidate at the Special Election to be held August 30th, 1941, to fill the vacancy in the Texas Legislature created by the recent resignation of Reese Turner. Upon filing his announcement with this paper, Mr. Smith made the following statement for publication.

"I have given the matter a great deal of thought, and I reach the conclusion that I would like to work for the people of Milam County as their representative at Austin. I believe that what the people of this County want and deserve in this office is somebody who will devote his time, energy, and undivided efforts to the solution of their common problems—whether the Legislature be in session or not.

"I pledge to you that if you see fit to entrust in my hands the handling of your public affairs in Austin I shall always endeavor to work for (Continued on page 4)

Axe Attack Last February Gets Negro 120 Days In Jail

Lonzo Colbert, negro, who chopped his mother in law on the leg with an axe last February pleaded guilty to assault in County Court and was sentenced 120 days in jail.

Colbert ran amuck in the Silver City community with an axe and a shot gun and was arrested by Constable Pete Harwell. The case has just now been disposed of in the county court.

Colbert is fortunate because the tax payers will feed him for the next 120 days.

Other action in the county court was a fine of \$25 against Buck Perez of Thorndale for assault.

Jake Thomas of Dallas paid a fine in the county court for displaying a pistol in the Palace of Eats. Several white men came through Cameron some weeks ago and stopped at the cafe and it was there that Thomas displayed the pistol, but the men escaped and were later located in Dallas.

SLAVIK IS CANDIDATE FOR THE LEGISLATURE

Frank Slavik became a candidate for the Texas House of Representatives Monday when he made formal announcement subject to the general election to be held on Saturday, August 30th.

The election was called by Gov. O'Daniel last week. The office was made vacant when Reese Turner resigned.

Mr. Slavik issued the following statement to the people:

"To Voters of Milam County:

"With the sincere desire to serve you to the best of my ability as your representative I earnestly ask for your support in the special election to be held Saturday, August 30th, 1941, and if chosen by your vote to be your representative I promise to give you the same devoted service I have given in my previous places of employment. I am proud of the record I made in places of responsibility under previous employments.

Prior to my residence here I held these positions in Missouri: I held a responsible place as an attendant in a hospital for the City of St. Louis in the municipal hospital in that city; I was a street car conductor for the Railway Company in St. Louis and I was also a Post-office Clerk in St. Louis' main post-office in the first class mail department.

"For the past six years I have lived in the Elm Ridge community on the old Waco road and my occupation is farming. Perhaps contrary to all previous campaigns, I have no platform on which to catch votes. It would be very easy for me to issue a platform. My position is to say less now, but stress my ambition to do more later.

"I am married, have two children, five and three years of age. I own the farm on which I live. This is the first time I have ever offered for public office."

LEO HARRIS CANDIDATE FOR THE LEGISLATURE

Leo Harris of Rockdale is a candidate for the House of Representatives subject to the election to be held on Saturday, August 30th. In making his announcement Mr. Harris issued the following statement:

To the People of Milam County: After due consideration I have decided to make the race for Representative to the State Legislature from Milam County to fill the vacancy caused by the resignation of the Hon. Reese Turner.

First, I have had Legislative experience as I served Carter County in the first Legislature of Oklahoma for the year of 1907-8.

Second, I am in favor of the State making permanent arrangements to pay the County's Road Bonds.

Third, I voted for the amendments for Social Security and am fully in accord with all of them and if elected shall continue to give my support for the improvement of laws that will more evenly give the old people the correct amounts.

Fourth, I am for all out aid to the United States government in these times of distress.

Fifth, I favor some system that will give to the counties more money for county road improvements and shall lend my influence for better State and United States highways in Milam county. If elected I will give my best efforts to the interests for Milam county and the State of Texas.

I have had 8 years of experience as Justice of Peace in Milam County.

Your vote and influence will be appreciated in the election on August 30th, 1941.

LEO HARRIS, Rockdale, Texas.

Milam Programs To Be Shown at Cameron Until Repairs Made

Patrons of the Milam Theatre were provided for early Thursday by Stanley Swift, owner of the theatre, when he transferred the pictures scheduled Friday and Saturday at the Milam to the Cameron Theatre.

Mr. Swift said that the Milam Theatre program will be shown each Saturday at the Cameron Theatre and the admission charge will be the same, 20c for matinee and night and children 10c.

Mr. Swift was unable to arrange two days at the Cameron as has been the custom at the Milam for Friday and Saturday, but insures the lovers of Western pictures a continued program as soon as repairs have been made on the Milam which was badly damaged by fire early Thursday, the regular programs will be resumed at the Milam, but until such time they will be shown at the Cameron.

The Milam Theatre was originally named the New Hefley, established by the late Sam Hefley. It was named The Milam by Mr. Swift who purchased the Hefley theatres here. It was the first talkie theatre for Cameron.

Mr. and Mrs. Alvin Roznos visited Mr. and Mrs. Alvin Roznos visited Miss Myrtle Roznos in San Antonio where she accepted a postilion a few months ago. They all returned home late Monday.

Henry Sapp of Itasca visited his mother over the week end.

\$16.50 Left for Ham & Ramsey in First National Bank Here 25 Years Ago Paid to Ham by H. M. Hefley, President of Bank; Held Revival Here

The sum of \$16.50 deposited in First National Bank 25 years ago for Evangelist Ham, was paid to the aging minister by H. M. Hefley, President of the bank here last night.

Twenty-five years ago Ham held a revival in Cameron. In those days anyone who wished to contribute to the revivalists were privileged to deposit in the banks. The money left in the bank came in after Ham had drawn out some \$3000 given by Cameron people.

Ham left the city and never returned. His address was not known

WILL REBUILD THEATRE IN THE NEAR FUTURE

Fire of undetermined origin at 3 a. m. Thursday destroyed the Milam Theatre and resulted in damage to adjoining buildings.

Stanley Swift owner of the theatre, who is spending several days at New Braunfels with his family, arrived in the city shortly after sunrise, but returned later in the day after the theatre had been turned over to insurance adjusters.

Seats and all interior furnishings, including the projection room and screen, were destroyed. The roof of the building was also badly damaged and may have to be replaced.

Mr. Swift had no immediate plans, but said the theatre would be rebuilt. Mr. Swift had no estimate at hand on the amount of the damage, but the loss will be very heavy.

The flames were discovered by Night Watchman Joe Richter at 3 a. m. He heard a glass break and saw flames and smoke issuing from the roof and turned in the alarm.

Firemen under Chief Thomas, doing a heroic job, fought the flames for more than an hour, preventing spread of the fire to adjoining buildings and confining the damage largely to the Theatre itself.

The Palace of Sweets and A & W Sales Co., were damaged. Law and insurance offices of Camp & Camp and Camp-Baskin in the Reno building were heavily damaged. The offices of Dr. S. R. Cotton, chiropractor, was also damaged. There was no estimate of the damage to the Knights of Pythias Lodge Hall which is located on the same floor.

Patrons of Milam Theatre will be given their regular program on Saturday of each week at the Cameron Theatre with no change in the price of admission.

Dick Young New Assistant Coach

Dick Young of Jones Prairie was elected Assistant Coach by the School Board Tuesday night.

Mr. Young will succeed R. P. Bennett who went to Brownsville.

Election of Young was reported to the Herald Wednesday morning by Drayton McLane, member of the Board, who expressed satisfaction over the election.

Mr. Young was former coach at Thrall. He graduated at Centenary College in Louisiana and played football under Coach Homer Norton, now head coach at Texas A & M. He played center on the undefeated team of 1932 and Norton said he is the best center he ever coached.

Young has been operating the Harrell properties in Jones Prairie for several years and expressed satisfaction over the opportunity to re-enter the coaching field.

Bond Sales Total \$92,280 for County

Bond sales for Milam county had reached a total of \$92,280.50 up to noon Thursday when reported by Emory B. Camp, director.

Rockdale led for the week with sales amounting to \$1,218.75. Cameron has bought a total of \$66,363.50.

Here is the report for the week.

Buckholts	
Cameron	\$ 654.25
Gause	18.75
Milano	
Rockdale	1,218.75
Thorndale	167.75

to the bank and the money was carried on the books of the bank.

When Mr. Hefley read in the Daily Herald that Ham would be in the city Thursday night, he left word for the evangelist to come to his home on a matter of business. There Mr. Hefley paid Ham the \$16.50 which had for 25 years been on deposit to his credit in First National Bank.

Demonstrating both the integrity of the bank and its officials this handing over of the deposit after 25 years will also come with satisfaction to unknown donors of the money, if they are living and read these lines.

MAY MEET ROOSEVELT OFF NORTH EAST COAST

Winston Churchill, British Prime Minister, was on his way to the United States Tuesday, according to a report from London.

A broadcast on Monday night predicted that a prominent Englishman in fact one of the outstanding leaders of the British Empire, would soon visit the United States.

When Mr. Churchill failed to show up in the House of Commons Tuesday morning the conclusion was reached that he had left for America.

President Roosevelt was somewhere off the northeastern coast of the United States and there was some speculation whether the President and Mr. Churchill might meet aboard war ships of their respective countries.

If Mr. Churchill visits the United States it would indicate a stupendous development in the war. There has been some indication that Britain might soon invade the continent of Europe. Whether the Prime Minister and Mr. Roosevelt would discuss policy or plans for war remain to be developed, if, indeed Mr. Churchill visits the President.

The United States government has dispatched two cruisers to Australia it was announced today.

The war between Russia and Germany continued to be obscure with both sides claiming successes.

Although news reports said that the situation in the far east was drawing worse there were no specific developments, except that Japan was reported to be prepared to make demands upon Thailand and if this is done England and the United States may be obliged to resist.

WITH THE BAPTISTS

Two men got up Sunday morning in Cameron. One came to the Lords house the other well said to say, "He had other fish to fry." And axe to grind some where else. Disobeying God he did what he wanted to and God received no glory from him.

The first man is my hero: I want to be like him. He means a lot to Cameron. We would have a better town and a better church if all were in his tribe. If all were like the second man no church would exist to bless our people.

258 were up and out to Sunday School Sunday morning and our offering amounted to \$168.38.

In Training Union 77 good Christians registered their desire to be made Christ made workman. August 3rd last Sunday was designated as "Catch up Sunday." Letters appealing for pledges to be paid up to date were sent out to over 700 individuals.

How we appreciate the fine spirit manifested. Even little boys and girls came to the church office to bring the Catch up Gift that would help the church out of debt this summer. Catch up offering Sunday amounted to \$215.10.

Our workers conference was well attended from the many Baptist churches of the county. There was twenty who attended from our church. Mrs. John A. Smith, Sr., Mrs. W. A. Morrison, F. J. Beckerman and the Pastor carried their cars filled to capacity. We will be looking for you to be in church and Sunday School this coming Sunday. The message for Sunday morning, "The World's Greatest Supper."

Sunday night "What We Want the Lord to do for Us." Luke 18:41.

The Master is at church and call eth for thee.)

Mr. and Mrs. J. R. Hearne of Waco visited their brother, H. O. Hearne and family on Sunday afternoon.

NOTICE OF SHERIFF'S SALE OF REAL ESTATE

NOTICE IS HEREBY GIVEN That by virtue of an order of sale issued by the Clerk of the District Courts of Dallas County, Texas, on the 10th day of July, 1941, in a certain cause wherein Bankers Life Company, a corporation, is plaintiff, and Myrtle A. McNeely, a widow, and R. C. Shiplett are defendants, No. 55965-B, and wherein plaintiff recovered judgment against the defendant Myrtle A. McNeely for the sum of \$11,156.17, with interest thereon from June 9, 1941, at the rate of 10% per annum, and all costs of suit, which judgment was rendered on June 9, 1941, in the District Court of Dallas County, for the 44th Judicial District, I have levied upon and will, on the first Tuesday in September, 1941, same being the 2nd day of said month, at the Court House in the City of Cameron, Milam County, Texas, between the hours of ten o'clock a. m. and four o'clock p. m., proceed to sell to the highest bidder for cash all the right, title and interest of said defendants, or either of them, in and to the following described real estate, levied upon on August 5th, 1941, as the property of said defendants, to-wit:

Situated in the County of Milam, State of Texas, being 199 acres of land, a part of the Jose David Sanchez Six League Grant, Abstract No. 55, and being located three miles East of Rogers, Texas, and fifteen miles West of Cameron, Texas, generally known as the Myrtle A. McNeely Farm, and being the same land fully described in two tracts in a deed of trust from Myrtle A. McNeely, a widow, to G. W. Fowler, Trustee, dated January 1, 1936, and recorded in Volume 76, Page 307, of the Deed of Trust Records of Milam County, Texas.

The above sale will be made by me to satisfy the above described judgment, and the proceeds thereof will be applied to the satisfaction of said judgment.

V. T. WHITE,
Sheriff of Milam County, Texas.
By LeRoy Massengale, Deputy.

CHRISTIAN SCIENCE SERVICES

"Spirit" is the subject of the Lesson-Sermon which will be read in all Churches, Scientist, on Sunday, August 10.

The Golden Text is: "The fruit of the Spirit is in all goodness and righteousness and truth." (Ephesians 5:9.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible. "And ye shall know that I am in the midst of Israel, and that I am the Lord your God, and none else: . . . And it shall come to pass afterward, that I will pour out my spirit upon all flesh." (Joel 2:27, 28.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Spiritual sense is the discernment of spiritual good. Understanding is the line of demarcation between the real and unreal. Spiritual understanding unfolds Mind,—Life, Truth and Love,—and demonstrates the divine sense, giving the spiritual proof of the universe in Christian Science." (Page 505.)

Miss Lucy Turner, Jack Wallace, Charlotte Stidham and Jack Walters of Houston were Sunday guests of Miss Mary Ellen Cottle. Also they visited Mrs. India Stidham.

Ray Hubert Brashear spent Sunday in Cameron with friends and relatives.

Carol Server of Davilla was in Cameron on business Monday.

GERMANS ON WAY TO SOVIET CAPITAL?

The House of Parliament in Dublin, Wednesday suggested that the destiny of the Irish Republic be committed to the United States of America.

The Parliament suggests protection by the United States and by this indicated fear they may lose their independence when Germany attacks Britain.

Several weeks ago the United States government sent a large number of workmen to Ireland where they were reported to be building naval and air bases and there was reason to believe that the United States may eventually use those

bases.

Japan today said that Britain aims to occupy key points in the far east by force. An explosion is momentarily looked for in the far east with war breaking out between England and Japan.

Anthony Eden, foreign Secretary for the British government, today warned Japan of possible consequences of a far eastern clash.

From Berlin a claim was made that the Russians have been put to rout and the Nazis are rapidly approaching Moscow, the Soviet capital. The Russians said that all points are being held. This sort of thing has continued for days and there is no way by which the truth can be ascertained regarding the Russian campaign.

FINAL WARNING

This is the last time I will warn those who interfere with firemen. Many notices have been given. Some continue to violate the law. I will now enforce it without regard to who may be found guilty.

When a fire alarm sounds those driving cars are required under the law to go to the curb and stop. Instead some, too many, have been racing to fires. They even beat the fire truck to the fire and this week on one occasion blocked the streets, making it most difficult for the firemen to operate.

This will never happen again if I can prevent it and anyone who races to a fire in violation of this law, will be arrested. There will be no more notices, only action.

Washington News

From Your Congressman
W. R. POAGE

The long awaited tax bill is before the House. The debate was postponed because the leaders of the House became alarmed at the majority last Tuesday in rejecting a conference committee report on the plant seizure bill. This bill, which had passed both House and Senate, provided that the government might take over any industrial plant vital to the national defense if it refused to co-operate. As I have previously explained, an effort was made and defeated in the House to extend the authority to cases where the plant was closed down by strikes. The Senate had included such a provision. The Conference Committee brought the bill back with a provision expressly authorizing the taking over of any defense plant closed down "for any reason." I felt that it was a very fair and much needed provision. I voted for the conference report, but the House again showed that it is more afraid of Harry Bridges and John L. Lewis than it is of Hitler or the Japs, and voted 255 to 114 to reject the conference report and to deny the government the right to take over a defense plant where production is stopped by a strike. As I see it, this is an open invitation to a repetition of the kind of strikes that tied up the North American Aircraft plant and the Alis-Chalmers plant. Of course, the nation would be much safer if such votes as this were never taken. I hope that some of those who have criticized members of Congress for not insisting on a show-down on some of these matters will now realize that it is not wise or helpful to demand a vote unless you have reasonable prospects of winning.

Anyway, after this vote the House leaders became alarmed for fear that the House would reject the "closed rule" they were presenting for the consideration of the tax bill and hastily adjourned. During the evening it was agreed that the closed rule would be modified enough to give us a chance to vote on the provision requiring "joint" returns on the income of the husband and wife. This will be the only item on which a separate vote will be taken in the House, and unless the amendment carries it will be impossible to get a record vote on this. The reason in that the

amendment must be considered in the "Committee of Whole." The "Committee of the Whole" is actually the whole House but acting as a committee. The vote in the Committee cannot be a record vote. If the amendment carries in the committee it must be then ratified in the House (by the same members but acting under different voting rules.) At this time there can be a roll call vote, but if the amendment is defeated in the "Committee of the Whole" it cannot be brought before the House. Of course, I shall vote for the amendment to the bill and against the proposal to require joint returns. It seems to me that to require joint returns would break down every vestige of women's (property) rights that have been established throughout the years. Certainly it would completely ignore the right of Texas and eight other states to establish the community property system which we have followed throughout all our history.

Of course, the Far Eastern situation has held the center of attention here. A week ago it seemed certain that the United States was going to abandon the shameful policy of appeasement we have followed in regard to Japan. I still hope that we will now take a firm stand and bring this problem to a head, but there are many signs here in Washington of further Japanese appeasement. Personally, I am opposed to any further yielding. I believe that the United States, Great Britain and the Dutch should jointly notify Japan that she could neither buy nor sell in any of these countries until she had removed every soldier from China and Indo-China, and that if she made any further move to the South that all three nations would resist it. We should put a stop to aggression, not encourage it. In this connection it is interesting to note that one of Mr. Hitler's most ardent apologists, the often-heard-from Mr. D. Worth Clark, self styled "Isolationist" Senator from Idaho, and co-worker with Senator Wheeler and "Colonel" Chas. Lindbergh, after repeating time and again that we should not be concerned with Hitler's aggression, stated this past week that the United States should "take over" Canada and all of the South American republics. Of course, this does not represent the views of the American government or the American people, but it will be so easy for Hitler to make the people of South America think it does. Thus, one

irresponsible man who has always tried to embarrass his country in its hour of peril does more to strengthen Hitler in South America than all the German agents have been able to do in 15 years. Thus, the "Isolationists" who have charged the President and all of us who want to protect America, with aggressive designs show their true colors and admit their own desire to strike down our weaker neighbors just as Hitler has struck down his little neighbors.—Thank God that Franklin D. Roosevelt and not D. Worth Clark still shapes the foreign policy of America.

With best wishes, I am,
Yours very sincerely,
W. R. POAGE,
Congressman 11th Texas District.

M. F. Hamm, Old Time Revivalist Predicts This Is Last War

M. F. Ham, old time Baptist Evangelist, whose ministry flourished thirty years ago and who held a memorable religious revival in Cameron about twenty-five years ago when the team was Ham & Ramsey, was back in the city Thursday night.

Ham does not work with any denomination and he appeared at A. J. Frisby's Gospel Tabernacle where a huge crowd heard the ageing minister.

Ham prophesied, after the manner of Tabernacle theology, that this is the last war. There will be no more America and Stalin will rule the world.

Floyd Gibbons, late lamented war correspondent, wrote a book called "The Red Napoleon." In this book he predicted a ruler for the world after a series of conquests in which the United States would be overcome.

The book recites that the warrior met his Waterloo in the United States because he could not assimilate his victories.

These doctrines have been preached for many years, even for centuries and are believed only by a small segment of the versatile religious world.

Those enjoying this picnic were the O. P. Robbins family, the Isaac Duncum family, M. C. Duncum and family, Mr. and Mrs. Roy Frazier, Mr. and Mrs. J. E. Robbins and daughter, Miss Gaynelle of San Angelo and Mrs. Rogers and family.

Billy Wyte and Latreal Ellis visited Mr. and Mrs. Debs Hensley over the week end.

HITLER'S ARMIES ON LONG FRONT STOPPED

The blitz armies of Adolph Hitler were stopped and on the defensive all along the 3000 mile front in Russia Friday.

By their own admission the Germans are stalled. They said early Friday that the Reds are counter attacking and that the major activity on the front is confined to the operation of the Red army.

Considerable optimism was felt in allied capitals over the threat of three million Red soldiers who are reported held in reserve for a grand assault on the Germans when the Nazi begin to weaken.

It was held likely the Russians may already be considering the use of their reserves. Without adequate reserves the German armies could hardly be dealt with in so short a time.

President Roosevelt in Washington said that Russia would be able to get all supplies necessary if the country could pay for them. It was not expected that Russia would share in the provisions of the Lease-Lend Bill.

From London came a report that people in the conquered countries were becoming bold and there has been increased indication of revolt. A report still persisted that a new government would be organized in Vichy. A Norwegian source said that a state of siege and been proclaimed in that country by the Nazis because of the uprisings of the Norwegian people.

In the far east Japan was represented as making a desperate effort to improve relations with the United States. That would be a logical thing for the Japs to do. They have just completed the grab of Indo-China. The next grab will have to be organized in advance and in the meantime appease the American appetite for peace.

The bombing of the United States gunboat has been officially closed

and America has accepted the Japanese apology as sufficient. It was the same in the case of the Panay.

Dr. Reed Discusses Health Work Progress At Rotary Luncheon

Dr. Roy G. Reed, of the Milam County Health Unit, spoke to members of the Rotary Club and their guests on Wednesday.

Dr. Reed gave a review of the work done in this county since the establishment of the unit here last year.

The report was interesting and gratifying to those who have long supported the health unit plan. While the work is still in its educational period many things have been done to bring about permanent improvements in the public health.

Dr. Reed expressed his appreciation for the co-operation he has received from the Doctors and the citizens as well. The unit is sponsored by the city and county.

The recent establishment of the disease clinic here has done much to improve health conditions.

Dr. Reed will soon prepare for the Herald a summary of the work done under his direction as head of the unit.

Mrs. J. P. Love was special guest of the club and with her husband, Rev. J. P. Love who is a member of the club. They are the pioneers of the public health movement in this city and were paid special tribute by Carroll Wood, President of the Club.

Mrs. L. L. Blaylock and daughter, Dorothy and Bryon Graham have returned from their visit to Washington.

D. B. Gunn, former Butane Gas salesman, has accepted the position as bookkeeper to the Grant Lumber Company.

Mr. and Mrs. W. Brown visited their sister, Mrs. M. C. Heselmeyer in Taylor Sunday. They were accompanied by Mrs. Angeline Jackson.

Charles Edward Hensley of Austin spent the week end with his parents, Mr. and Mrs. Clyde Hensley.

and guard your interests wisely and well. In this connection, I think that the business of the State of Texas should be put on a cash basis. The obligations of the State should be met promptly and in full. I think that the obligations of pension payments, aid to crippled children and the blind, teacher's retirement, and all other social security obligations, which have long since been written into our laws by the will of the people, should be paid as they were written. The Legislature of Texas should never rest until it has worked out a system of paying them promptly and fully. There has been much said about this, but not enough done. It may be true that the enactment of pension and social aid laws is no longer a political issue, but the payment of the resulting obligations in full is not only an issue. It has become a challenging problem as well. Since these obligations now have the force of law, I think the people have a right to expect of their Legislature that he will always give preference to the payment of them over all other State expenditures which are appropriated for useless and expensive boards and bureaus unnecessary to our State government. I shall always make this preference since I think they should be paid, and I will support and work for the passage of any measure providing for full support and work for the passage of any measure providing for full payment of same.

Likewise, I think that the Legislature of Texas, as well as the citizenship, should co-operate in every possible way with the sister states and with the Federal Government in our national defense program. As a member of the Legislature I shall lend my every effort toward aiding and assisting the National Defense Program. By virtue of our heritage we in Texas must play a unique part in this program. When the people of America are called upon to make the sacrifices necessitated by an all-out defense program we of Texas must be the first to answer the call. Along with you I believe in the Democratic way of life. As a public servant and as a Texan I pledge to you that I shall always share in full with you whatever sacrifices we are called upon to make. No enemy can ever conquer the spirit of Texas; no enemy from within can ever divide Texans.

Getting back closer to home, I think that it is high time we were doing something about these "pie crust" highways in Milam County. It isn't fair for us to be forced to drive over these narrow, crooked and worn-out roads when other counties, including our neighboring counties, get everything they want down at the Highway Commission. There must be some reason for it, and if I go down to Austin I intend to find out the reason. The Legislature doesn't have to be in session for your Representative to work on this problem. I pledge to you that if I become your Representative I am going to camp in the office of the Highway Commission until they assure us that we are going to get some relief up here in line with our tax burden.

We are Ready

GIN YOUR COTTON WITH US!

Our modern gin plant at Belmena is ready for operation and we will await with pleasure an opportunity to gin your cotton this season.

This gin plant has been inspected in every detail. It is in the pink of condition and the service we give you will insure you the best results and turn out.

The farmers of this section know the policy which has made this gin popular for its ginning service. There will be no change in policy and all may rest assured that this gin plant will give every one a square deal, better lint turn out and profitable ginning to the producer.

We are ready now and our plant will give you the same prompt service you have known in the past. Gin with us.

We have enjoyed a splendid patronage in the past and we thank the farmers in advance for their ginning this year. We will endeavor to maintain a plant here second to none.

BLACK-DRAUGHT

SUSPENDED SENTENCE
FOR ROY HALPAIN HERE

Roy Halpain was given a five year suspended sentence in Criminal District Court late Friday afternoon where he was tried on a charge of assault with intent to murder.

Halpain was tried for a knife attack on Roy Seaton about two months ago near a beer hall at the western edge of the city.

Seaton was taken to a local hospital where more than a hundred stitches were taken to close his wounds.

The case went to the jury around 3:30 and the jury deliberated about on trial He was defended by Camp & Camp while the prosecution was conducted by W. A. (Bill) Morrison, Criminal District Attorney.

Milam county juries are celebrating suspended sentence verdicts and the verdict in the Halpain case is an unbroken record stretching back over several months in cases of this degree of offense.

Halpain attacked Seaton with a knife at night on a street near the Bartek place as the men walked away from the beer hall. Constable Pete Harwell arrested Halpain and Seaton was taken in an automobile to the hospital. His condition at first was regarded as critical, but he recovered within a few days.

Marshal Determined
To Stop Interference
With Firemen Here

City Marshal Gene Smith has given warning that he will not again excuse violations of the city ordinance that requires all cars to be driven to the curb when a fire alarm sounds.

For many months such warnings have been given. The officers have been exceedingly kind to the people, in fact have shown too much leniency. The result has been a growing disregard for the rules.

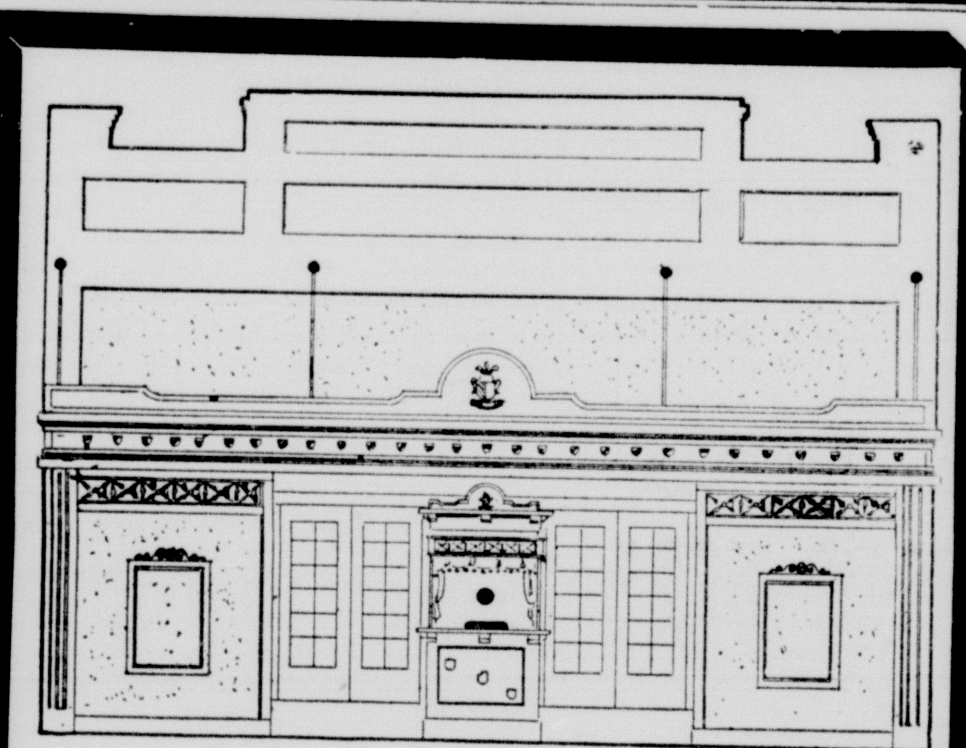

Neither the Marshal nor the Mayor desires that any citizen be arrested or fined for violating this ordinance. It is only because the work of firemen is hampered by such traffic activity that this drastic final action is taken.

An example: One day last week a car was burning in the north section of the city. Cars beat the firemen to the job. The City Marshal said some of the firemen had to walk 150 yards to get to the car because citizens had raced to the scene ahead of the fire fighting equipment.

Mr. Smith said he had become convinced that no further warnings should be given and so puts all on notice.

The re-action has been most favorable. Citizens stand ready to back up the Marshal and demand protection for their property in case firemen are called.

Mrs. Odell Jameson of Houston and Mrs. J. W. Webb of Waco spent Wednesday in the home of Mr. and Mrs. D. B. Gunn, and was accompanied to Houston by her daughters, Jennine and Joanne, who have been visiting here.

NURSERY SCHOOL NEWS

A number of improvements have been made in the white nursery school lately. The hall has been white washed and it adds to the appearance of the entire building. The sleeping room walls were whitewashed also, and it harmonizes with the wall paper that was put over the black boards last year. New sheets for the cots were made from commodity sacks by the local WPA Sewing Room. The NYA girls assisted in the making of the curtains for the bed room widows, these being made of commodity sacks also.

The kitchen and bathroom walls have been painted white, and the floors are painted gray. The dining tables have been refinished. All of this material was donated to Mrs. Mariana Jensen, District Supervisor, and the nursery school employees did the work.

The garden has been a source of fresh vegetables for both nurseries during the spring and summer, saving quite a lot on the food bill. Fifty quarts of vegetables were canned at the white nursery school. The frame garden has been replanted for the fall use.

The children are rejoicing over a lot of new toys. Some of them were donated by local people and some were brought from Austin by Mrs. Jensen.

The nursery school staff is glad to receive visitors at all times, and they are especially anxious for people to see the new improvements.

Mrs. S. E. Brady who accidentally fell and broke her hip several weeks ago and is in the Cameron hospital, is reported resting very nicely. Among her children visiting her from out of town are Mr. and Mrs. Bernard Brady of Port Arthur, Mrs. Mae Thompson of Birmingham, Ala., Archie Brady of Ennis and Mrs. Viola Peel of San Antonio. Mrs. Mamie Brady of Cameron is with her mother constantly at the hospital.

Cadet Flyer White Makes His First Solo Flight Saturday

Thomas Jefferson White, cadet flyer at Hatbox Field, Muskogee, made his first solo flight Saturday.

In a letter to his father, Jefferson B. White, publisher, he told of his flight.

He has successfully passed the greatest test, the first solo, making a perfect landing.

"When my instructor ordered me to stop the plane after we had rolled by the stage house, he told me to make a good landing for him. My, what a thrill, my first solo flight."

"I taxied down the filed and headed back into the wind, shoved the throttle home and roared off into the blue. I had been waiting for this moment. My landing was perfect"

White says there are 127 men in the class, one a Belton boy, the others most from Pennsylvania and Ohio and all college men.

HITLER PROCLAIMS A STATE OF EMERGENCY

Adolph Hitler Saturday proclaimed a state of emergency in Norway.

Outbreaks of violence and increasing resistance to the Germans has made the German position more or less critical, it was said. Just what measures are contemplated was not known.

The 'V' campaign was getting results in every occupied country in Europe. Germany has been forced to send 25,000 more troops to Greece where all but open rebellion is reported.

Greeks are writing the 'V' on the walls of their buildings and are adding RAF. Men who are starving the streets of Athens are said to be writing the 'V' openly and fainting from hunger.

Throughout Norway land slides, sabotage and explosions are rendering the Germans helpless. The British are now beginning to bomb in Norway.

Victory V Goes Over Big in County

The Victory V sticker has found ready acceptance from the people of Cameron and the county at large.

The Herald printed 2000 of these stickers and only about 200 remained at noon Friday to be disposed of. The number given away do not appear to have been pasted on cars because there are too many cars without stickers. Many have called for the stickers who have not used them.

If third printing is necessary or even a fourth or fifth they will be produced. The V means victory against the Axis and every loyal American should call for and use these strikers.

The Westward Course of the Empire—
they wanted LAND . . .

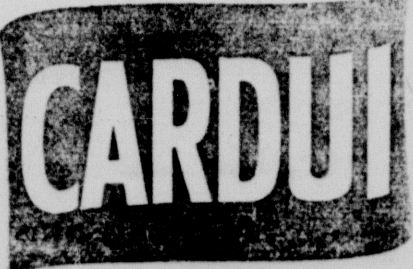

Cramped quarters were not for the men who won our country. The crowding of the East drove them toward the West, where a man could breathe—it was the LAND that they wanted! This spirit of adventure that drove the pioneers to the unexplored and perilous West is the same spirit that later spurred men to make America a power in the affairs of the world—but LAND was what they needed first!

Land is Wealth

You need LAND for that feeling of solid security, land that you know is yours, will always be yours! Invest your savings in land and you'll know that your investment is safe, always! In this region there is ample opportunity for profitable investments.

MARRY IN GALVESTON

Albert Lee Boeker of Cameron and Anita Hazel Streicher of Galveston were married in Galveston on Sunday July 23rd.

Friends here congratulate them. News of their marriage came to the Herald early this week.

John Gilpin of Thorndale was a Cameron business visitor Monday.

Municipal Airport Urged by Citizens; Now Available With Government Aid; Is One Way To Give City Advantages For Future Needs

Public sentiment was mounting today in favor of action by the city to build a municipal airport.

When it became known several days ago that Cameron can obtain a first class airport with only about 25 per cent out lay, the proposition was so attractive that many business men are now urging the city to go ahead with these plans.

A military airport is now under consideration, but there is little indication one can be obtained at this time.

A municipal airport properly equipped would be easily accessible to the Federal Government and no doubt would be used.

This consideration, however, while important, is not considered so much for the future as a well equipped municipal port.

Stone Garner Gets Appointment to Navy Academy at Annapolis

Stone Garner, student at University of Texas, was given an appointment by Congressman Bob Page Monday to the United States Naval Academy at Annapolis.

He had planned to return to the University this fall as a Junior. A brilliant student, he had made an excellent record in the university.

Garner is the son of Mr. and Mrs. H. E. Garner of Cameron and a graduate of Yoe High School.

He was in Dallas Monday for a physical examination. No student examination will be required to enter the academy as he has had two years of College.

Pvt. Usveld Rozenos and Willy Bagley of San Antonio, who have been soldiers for three years, visited in the home of Mr. and Mrs. Rudolph Roznos of Marak. They also visited Mr. and Mrs. Joe Macal and Mr. and Alvin Roznos. Mr. and Mrs. Rudolph Roznos and Angeline accompanied the soldiers back to San Antonio early Sunday morning.

Catherine Mode left on Monday night for California where on Friday, August 1, she will be married to Lt. John Calvin Haygood.

The future city without an airport would be pretty much in the predicament that the present day city would be in without a garage.

The time will come shortly when automobile dealers and others will sell air planes and while the city of Cameron can now obtain government aid to such a large extent and at the same time make available to the government the facilities of several hundred acres of land together with hangers, it appears to be the brightest respect for municipal progress within the past two decades.

It was understood that a proposition has been made and can be taken advantage of any time the city desires. Public sentiment is ready to indorse any action the city may take.

TOM CHOATE DIES AT HOME IN BUCKHOLTS

Tom Choate, 81, widely known citizen at Buckholts, died suddenly at his home early Sunday morning from a heart attack.

He had been in declining health for some time and died while asleep at his home.

Mr. Choate was a native of Arkansas but had been a resident of Milam county for the past 56 years. He was among that select company of men who came under the classification of fiddler, one of the best in Texas.

Funeral services were held at Walkers Creek Baptist Church at 4 p. m. Monday with interment in the Walkers Creek Cemetery. Rev. A. J. Frisby of the Full Gospel Tabernacle in Cameron and Rev. T. D. McCrary, pastor of Buckholts Methodist Church, conducted the services.

Mr. Choate is survived by his widow and five children, Tommie Choate of Brenham, Johnnie Choate of New York, Clarence Choate of Fort Bliss, Mrs. Coy Perry of Robstown and Miss Mattie Choate of Buckholts. One brother, Andy Choate lives in Spiro, Okla.

Pall bearers were E. J. Kahler, Joe Slovacek, E. B. Hyer, Vince Krupicka, Frank Zawadzke and A. R. Walschak.

Revival in Progress At Marlow Baptist

The Rival has been going on since last Sunday morning. The interest has been unusually well. Large crowds have been receiving many benefits from the good singing and Bible preaching. The membership is very anxious that all who possibly can come and be in one or all of the services.

There are many calls that come to men, sometimes the country calls and true Christianity teaches that among the many groups especially those who believe in the religion of Jesus Christ should render unto Caesar the things that are Caesar's and unto God the things that are God's. God through the ages has called men unto righteousness, knowing that righteousness exalts nations and sin is a reproach to any people. In grave times like this it should be the aim and desire of every person to prove true to God and country.

The Marlow Baptist Revival runs until August 10th, the people and pastor extend to you a cordial welcome.

Employees of Gas Company to Bryan

Employees of the Community Natural Gas Company, including Manager, James R. Bush, were in Bryan Thursday night for the quarterly safety meeting of this district.

The last quarterly meeting was held in Cameron when the local office force were hosts.

Those who attended Thursday night were. Mr. Bush, Jack Stidham, Jim Moore, C. O. Lovorn, Frank Wiggs and Miss Edwardine Lovick.

Refreshments were served and lectures were heard on safety. The Cameron office was awarded a plaque last year for a fine record on safety.

Mrs. Walter Mullinix and daughter Margie of Calvert, spent the week end with her mother, Mrs. T. D. Garrett and sister Mrs. J. B. Parnell.

John Thweat of Maysfield was a business visitor in Cameron Wednesday.

Miss Mary Jane Brock who is in training in Temple, spent the week end with her family.

Bob & Joe Entertain For Boy Scouts Here Thursday Night

Bob & Joe and the Sunshine Boys will entertain at Yoe High School Thursday Night, August 7th, for the Boy Scouts of Troop 52.

The entertainment is a benefit event with only a small admission charge. The proceeds will go to Troop 52 to help the boys arrange their summer camp.

John C. Andres, troop leader, engaged the KGKO artists for the entertainment. The public is urged to attend and help Troop 52, Boy Scouts.

BREWED TO TEXAS TASTES

TYPICAL TEXANS
GOOD JUDGES OF FLAVOR
Since he's a good judge of merit in all fields, it's only natural for a Texan to be a good judge of flavor.

Flavor THAT FLATTERS YOUR TASTE

When good friends get together, you'll find them using good judgment in the things they wear, the things they eat, and the kind of beverage pleasure they choose. It's typical of discriminating Texas tastes to hear them say, "Bottle of Pearl, please!"
